

Early Achievements for Childcare Childcare Survey

Does your child attend childcare? We want to hear from YOU!

*We are conducting an **Online Childcare Survey**
As part of a research study to better understand families' experiences with childcare.*

You are eligible to participate if your child is...

- Currently 18 months to 59 months old (1 year, six months to 4 years, 11 months), **AND**
- Receiving child care services (in a child care center or family home) at least 15 hours per week.

If eligible, you can participate by:

- Completing a **10-15 minute online survey** about your experiences with childcare at a time and place convenient to you.
